**Re: Notification of Resumption of Full Power Operations  
K215BS, Craig, Colorado (FIN: 12337)**

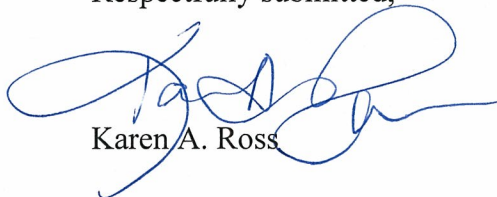

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of FM translator station K215BS, Craig, Colorado, this letter is to notify the Commission that K215BS resumed full power operations on April 28, 2010, consistent with its licensed parameters.

On April 27, 2010, EMF notified the Commission that K215BS had temporarily discontinued operations beginning on April 5, 2010 due to a damaged receiver antenna. Since that time, EMF has made the necessary repairs and, on April 28, 2010, returned K215BS to full power operation according to the parameters authorized in its license. Please update your records accordingly.

Should you have any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

  
Karen A. Ross
